PARK LANE PRIMARY SCHOOL AND NURSERY

22nd January '24

<u>Re: Bedworth Making Music Day – Friday 9th February</u>

Dear Park Lane Family,

We are thrilled to share that your child has been invited to attend Bedworth Making Music Day on Friday 9th February. The children will depart from Park Lane and make their way to Nicholas Chamberlaine for 1:00pm on this day: this will mean that the children will eat their lunch earlier than planned before departing school. The children are expected to be back at school by the end of the school day,

The Making Music Day event is intended to raise the profile of music making in Bedworth and offer your child the opportunity to make music with other children in the local area. Music is a vitally important part of a young person's education and can benefit them in so many ways such as developing teamwork, self-esteem, focus and feelings of belonging. Music also reduces anxiety and stress: as we have emerged from the pandemic, our children's wellbeing remains a priority. We recognise this is vitally important and want to work in unison with the Warwickshire Music Hub to provide this enriching opportunity. Throughout Year 5, your child has been learning to play the fife so therefore this will give them the opportunity to apply their new skills and perform as part of a group.

To conclude the afternoon, there will be a concert held at Nicholas Chamberlaine beginning at 2:30pm. We would be thrilled to invite you to attend to see the amazing music making that your child has created during the session. The Mayor of Nuneaton and Bedworth Councillor, Martin Walsh, will also be in attendance at the concert.

Please can we ask that the Google Form accompanying this letter is completed by Wednesday 24th January to give permission for your child to attend and allow appropriate plans to be made.

Should you have any further questions regarding the items discussed in this letter, do not hesitate to contact your child's class teacher through our Seesaw communication platform.

Yours sincerely,

S Boyes
Assistant Head
