RE: Co-Curricular Clubs Collection Points - Revised

Dear Park Lane Family,

We are proud to offer such an extensive list of Co-Curricular Clubs to our Families that suit the many interests of our children. As you will know, all clubs are free of charge, and we fund a number of the clubs to fully enhance what we can offer to our children, and in turn our Family.

Due to the ever-increasing demand of our Co-Curricular Programme, we have made some necessary changes to the collection points following each club end time. Please find the revised table, clearly stating the club collection point, attached to this letter. Upon collecting your child/children, you will be able to access/exit the school grounds from the main entrance gate and make your way round to your designated collection point. If your child is attending the Kits Academy After-School Provision, they will be taken to the Community Hub by a staff member and will be signed into the provision.

As always, we thank you for your continued support and understanding: our extensive club offer would not be possible without the support from our Families. Should you wish to discuss any of the items mentioned in this letter, do not hesitate to get in touch with the school via our usual communication platforms or through the school office.

Yours Sincerely.

Joy Davies
Head of Sports
