RE: Junior PCSO Programme Commencing Patrol – Summer 1

Dear Park Lane Family,

We are thrilled to share that at some point over the next few weeks, the Junior PCSO's will commence their role outside school and will be operational for the first time.

The students will be highly visible in their yellow high visibility tabards and black peaked caps all bearing the 'Junior PCSO' logo. They will be organised in groups of 2/3, with each group working with either a Police Community Support Officer, a Police Officer or a member of school staff.

The Junior PCSO's have been trained to notice any parking or dropping off/picking up by vehicles that are wither dangerous, inconsiderate or illegal. If they notice this is the case, they will approach the driver of said vehicle and in a non-confrontational manner, will introduce themselves, point out the problem, and advise the driver or issue a specifically designed 'ticket'. If the same vehicle receives two Junior PCSO tickets and are advised for a third time, the Warwickshire Police will issue a Fixed Penalty Notice for the offence committed.

Please support the young people as they have worked very hard and are committed to making the streets around their school a safer place.

Yours Sincerely,

PCSO 6235 Davis
Nuneaton Safer-Neighbourhood Team

Carly

Mrs Boyes
Assistant Head
