Re: Musical Showcase Assembly

Dear Park Lane families,

Your child has been eagerly participating in one or more of our on-going musical instrument tuition groups and we are delighted to invite you to a special musical showcase assembly.

This assembly will provide the children with an opportunity to share the progress they have made so far through a short concert performance. We are very proud of their commitment and enthusiasm and would love for you to join us in celebrating their achievements.

The assembly will take place on **Monday 9th February** and will begin **promptly at 2.30pm** in the school hall.

Due to hall space and the number of performers, we kindly ask that families limit attendance to **two adults per child**. Any small children who might need to attend with you due to childcare needs would be very welcome too.

We look forward to welcoming you and hope you enjoy seeing the children perform.

Kind regards,

Mrs Lawrence

Head of Music
Park Lane Primary School
