

Park Lane Press

Park Lane Family,

It is hard to believe, although the stifling heat says otherwise, that our Summer holiday has arrived meaning we have reached the end of yet another academic year. This year has allowed us to re-join as a Family and it has been filled with successes, achievements and so many cherished memories.

We must begin by expressing gratitude to our Family for the turnout to all of our Sporting Events last week: Sports Day Week is one of the most eagerly awaited events of the year, with this year being no exception! Each and every day was a roaring success, and we were thrilled to be able to share them with you, as were our Griffins. It fills us with great pride that we were able to retain the Cup against Race Leys: what a wonderful achievement. It goes without saying that these events would not be possible without the meticulous planning and enthusiasm from our Head of Sports, Miss Davies and Sports Coach, Miss Everitt - we look forward to what next year will bring!

With each new year, we sadly bid farewell to a few members of our Park Lane Family: Miss Archer and Miss Khalifa from our Nursery Team and Mr Bowerbank from our Nurture Team will all be moving on to pastures new: we wish them the very best in their next venture. Mr Duffield, a member of our Nurture Team, will also be moving to our Sister School, Race Leys. We are sure that you will be joining us in applauding them in the support that they have shown towards the school and our children during their time with us. We are thrilled to share that Miss White and Miss Hull have both returned from Maternity and we look forward to them being back with our Griffins supporting and nurturing their needs. We will also be welcoming Miss Roper to our Family and are sure that you will make her feel extremely welcome as she begins this new adventure.

We wish you a wonderful Summer holiday with your Families, enjoying the time together. The gates of Park Lane will reopen for our Family on Wednesday 7th September.

Warmest of Wishes,
Alexandra Ladbury
Head of School

Teacher Training Day - school closed to all Griffins.

Wednesday 7th September

School opens for Autumn Term

Mini Griffins

The Mini Griffins really enjoyed celebrating our *Griffin Arts Festival* this year. We decided to look at 'David Attenborough' as our 'Change Maker'. Our Mini Griffins enjoyed walks through our school woodland area, using their eyes and ears to look and listen to the animals. The children collected natural materials from the forest floor and we took them back to Nursery to create pictures.

We sat and watched some short clips about the work David Attenborough has completed, looking at different animals and their habitats. We also had a visit from Cool Critters: Phil explained about different animals, where they lived, what they ate and they were even allowed to touch the animals too - lots of brave Griffins!

For our GAF performance, we collated a montage of all the fun things that we had completed throughout and showed parents this on our iPads. Overall, we had lots of fun learning about how we can do little things to make a change for the better in our world.

What a phenomenal year Mini Griffins - it has been a pleasure observing your develop!

Pre-School Griffins

Over our GAF fortnight, our Pre-School Griffins have been focusing upon the work of 'Sir David Attenborough'. This particular Change Maker really interested Pre-Schools' curious minds as we explored the pioneering work he has accomplished over his life time. Our children were particularly moved by a scene from *Our Planet*, where Sir David showed us the melting arctic ice cap, with a lone polar bear struggling to find ice to live and hunt on. This sparked conversation about what we can do to help save the polar bears, other animals, and ultimately, our planet. We discovered there is lots of thing we can change to help however, we began by looking a little closer to home and helped the wildlife in our nursery garden by ensuring it was litter free; we even discovered a rabbit is living there!

We were lucky enough to have a visit from Phil at Cool Critters, who brought along some amazing animals for us to meet, such as Spiders, Tree Frogs, Snakes and Lizards: it was wonderful to see our very own budding Attenboroughs! Peaking our interest in animals large and small, we focused our art work on creating both a land and sea animal frieze for our GAF showcase, including crabs, octopi and fish, monkeys, sloths and snakes.

Well done on becoming Change Makers yourselves Pre-School and for a fantastic year filled with learning!

Reception

For our Griffin Arts Festival this year, Reception have been celebrating the legacy of 'Amelia Earhart.' After investigating this Change Maker, the children decided they would like to create old-fashioned aeroplane sculptures to display for their community. Reception repurposed recycled goods to create unique aircrafts with cardboard, wood, and lots of paint. To showcase our aviator, the children experimented with different chinks, crayons, waxes, and powered paints to produce portraits of Earhart.

Reception have loved learning all about the skies, and have demonstrated a mix of artistic styles that they have developed over the year to represent their knowledge of the world above us as they have constructed birds with feathers, bees with beads, and cotton wool clouds for their art pieces. The children have excitedly spent their Griffin University this term rehearsing performance art pieces for the festival. RJE have been looking into famous poets, reading and reciting poetry, with a special piece ready to perform to parents, and RST have enjoyed singing lessons to belt out their song which celebrates all change makers.

It has been a pleasure watching your grown throughout this year
Reception: you will all be wonderful in Year 1!

Year 1

For our GAF celebrations, we looked at the Change Maker, 'Steve Irwin.' The children began the festivities by using different sources to research who Steve Irwin was. Following on from this, the children then wrote their very own fact files all about Steve Irwin. Furthermore, the children had lots of fun creating their own acrostic animal poems. We also took part in lots of Art activities using different mediums: we created our own animal prints using oil pastels, created jelly fish using the bubble paint method and painted our own crocodiles.

Year 1 also did some research on endangered animals and created a rhino collage full of endangered animals. Furthermore, we created jelly fish out of paper plates and bubble wrap!

Lastly, Year 1 had an amazing time taking part in an animal dance workshop and they created a dance to the Little Mermaid's 'Under the Sea'.

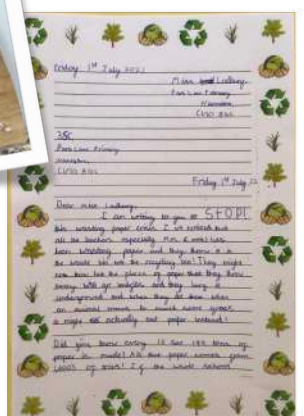

The children had lots of fun performing this to their grown ups and did a fantastic job - what a year you've had Year 1!

Year 2

In Year 2, our Change Maker was 'Charles Darwin'. As part of our work on our Change Maker, we learnt all about evolution and natural selection. We began by researching Charles Darwin's life and showing our understanding through freezeframes. We also used this knowledge to create word silhouette's full of key words about Charles Darwin and his life. In our English lessons, we also looked at the features of a Kenning's poem and created our very own poetry all about apes.

We created fossils out of clay, thinking carefully about their markings and then painted these using natural colours. Throughout GAF, we developed our photography skills, which included a visit from a Nicholas Chamberlain photography student as well as a visit to Nicholas Chamberlain's photography studio for some selected children. We used our new photography skills to recreate the stages of human evolution. Finally, we developed our portrait drawing skills and applied these to create self-portraits that were half ape and half us.

It has been a great yet and your curiosity to learn fills us with so much pride Year 2 - all the very best in Year 3!

Year 3

For the theme of Change Makers - GAF festival 22, Year 3 researched the campaigner for change 'Greta Thunberg.' She campaigns for climate change all over the world, sometimes in front of

World Leaders and we think she is a very inspirational young lady. After learning what changes she wants world leaders to make, we looked closer to home and what changes we could campaign for at school. We realised that paper waste is huge not just in Park Lane but all over the world, so we decided to try and get our Head of School to help us make a change by recycling paper.

To do this we each wrote a letter of protest and suggested ways that we can make a change.

Miss Ladbury read our letters, listened to our suggestions, and replied in a very positive way. Year 3 were delighted to be told that there will be a recycling centre introduced to Park Lane in the near future due to our demands.

We have successfully helped to make a change at Park Lane - well done Year 3!

Year 4

In Year 4 during GAF, we learned about the inspirational Mexican artist *'Frida Kahlo.'* Frida experienced a great deal of pain and difficulty in her life. She suffered from Polio at the age of six, and was injured in a road accident when she was eighteen. She had to stay in bed for several months. Despite this, she showed real resilience and developed her talent in drawing and painting, focusing on self-portraits. She was ground-breaking in the ways she changed people's views of women artists and artists with disabilities. We painted our own self-portraits in the style of Frida Kahlo, made Mexican style ponchos and performed a Mexican dance. We also took part in a drama workshop, and acted out scenes from Frida Kahlo's life.

You've each grown wonderfully this year Year 4, we wish you the best as you transition to Year 5!

Year 5

Our GAF theme this year was 'Changemakers' and Year 5 chose *'John Lennon'* as their person. We chose him as he used his celebrity status to highlight the need for World Peace and he was an instrumental member of the Peace Movement. He was also an active anti-war campaigner and staged a 'BED-in' with his wife (Yoko Ono) to protest against the war in Vietnam in 1969.

To celebrate John Lennon and his achievements to promote change, we were lucky to have Mr Hutt (who is a talented artist) come in and work with the children on sketched portraits. They looked at where the features of a face should go and the children produced some great sketches. They then used these new skills to create colour portraits using a variety of resources, looking at the work of other artists – old and modern.

The children then listened to John Lennon's most famous song, *Imagine*. They explored the lyrics and then created their own version, thinking about what they would change about the world today. The results were simply stunning. We collated all those ideas and created a class version, which we sung at the GAF. Year 5 believe that John Lennon really was a Changemaker!

A fantastic Year - we are sure that you will achieve wonderful things in Year 6!

Year 6

Throughout the Griffin Arts Festival, Year 6 have focused on our Change Maker: 'Martin Luther King Jr.' We explored his crucial work in furthering the civil rights movement in the USA, considered the implications for today and imagined our own dreams for the future. This was a rewarding experience with our Year 6 Griffins approaching the topics with a maturity that shows they will be ready for their next step into secondary in September.

Year 6 developed a range of art inspired by our Change Maker including: art using a focal point to develop the illusion of three dimensions; a photography project (A Day at Park Lane), where pupils honed their skills and then captured life at Park Lane; 'I Have a Dream Too' - monologues written as an update to MLK's famous speech; and collaborative artworks using mixed mediums to create murals of MLK.

It has been a pleasure to observe you grow and mature throughout your Park Lane journey - we wish you the very best in secondary school!

The Nurture Team

Nurture Groups have celebrated GAF week in their very own way: we went to the Riversley Park Museum to look at Change Makers from our town. 'George Eliot' was spotted by our Griffins as an Inspirational Woman and they were interested in looking at the works of art in the gallery too.

We hope the Nurture groups have been beneficial to our Griffins and we look forward the new academic year with some new pupils!

Birmingham GAF

During the Summer Term, some of our Year 5 Griffins entered an Arts competition to be chosen to attend the Griffin Arts Festival Experience in Birmingham. The selected winners - who collectively had some fantastic entries - went on a 3 day residential of Arts experiences.

The children were exposed to many arts experiences, the first of which was a pottery session at Nicholas Chamberlaine school - one of our local trust secondary schools in Bedworth. Within the workshop, they created clay poppies and coral reefs before moving onto a Shakespeare Workshop with company Odd Socks. They had the opportunity to look at the Shakespeare play Macbeth.

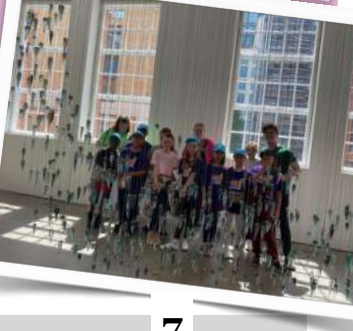

After an enjoyable first nights sleep, our Griffins headed off for a busy day in Birmingham. Their first stop was at the Botanical Gardens where they took part in an art workshop based around the artist Andy Goldsworthy, looking at using natural materials to create a piece of art. They then moved into the butterfly house to complete a sketching activity before finally enjoying a picnic on the beautiful lawns. They were surprised to be joined by a special visitor - one of the peacocks - who was keen to see what everyone was enjoying for their lunch!

They then continued their tour of Birmingham at the Barber Institute of Fine Arts where they had the opportunity to learn about different painting styles and have a go at sketching in the style of the artist.

Following this, they then visited the Lapworth Museum of Geology where they completed an arts award activity. They searched the museum for facts about fossils, dinosaurs and minerals.

The following day, our Year 5 Birmingham GAF children visited the Symphony Hall for a jazz workshop and to learn some samba body percussion. They then continued their venture around Birmingham, even at one point bumping into Perry the bull - the mascot for the Commonwealth games. They had a tour of the Ikon gallery looking at some incredible architecture before returning to Nicholas Chamberlaine for the night at the proms. Their residential concluded with an incredible finale performance from the Ratby Co-operative band.

During the evening, we were thrilled that Megan - one of our Year 2 Griffins - joined us alongside her family to be presented with her award for her winning entry to the Griffin Schools Trust Monologue competition. Congratulations to Megan, once again!

Celebration of the Arts

To conclude our 2 weeks of GAF activities, we invited our families onto school site to attend a celebration of the arts at Park Lane. We were thrilled with the turn out at our event and that our community were able to see our wonderful performances and visual art including: drumming, dancing, singing and gazebos filled with magnificent art.

Thank you to all those that could join us and we hope that you enjoyed your afternoon!

Griffin Science Symposium

On Wednesday 13th July, 10 of our Year 6 Griffins had the amazing opportunity to visit the London Science Museum as a prize for Park Lane coming third in this year's Griffin Science Symposium! The children had the opportunity to explore all of the exhibits on offer, from space to medicine and Hawking to Einstein! The children also got to watch Antarctica in 3D at the museum's IMAX theatre!

Well done to all of our budding Griffin Scientists!

Sports Day

EYFS Sports Day

Our Early Years Sports Day took place on Tuesday 12th July where the children thoroughly enjoyed taking part in various activities including: relay, long jump, bowling and a new introduction for 2022: the Grand National. All of our Griffins were enthusiastic and up for having a go at all of the events including our parents who supported with the Mini Griffins first ever Sports Day.

Well done to all of our Early Years Griffins!

KS1 Sports Day

On Wednesday 13th July, our Sports Day continued this time for KS1 and their first time at the *Pingles Athletics Stadium*. The children loved being at the official athletics track and took part in various events throughout the afternoon. This concluded with a house relay with the winners of Year 1 being Unicus and Year 2 being Sappientiae.

A fantastic effort by our KS1 Griffins!

KS2 Sports Day

Our final sports day of the academic year took place on Thursday 14th July with both our LKS2 and UKS2 at the Pingles Athletics Stadium, once again. This time partnered with our sister school - Race Leys.

The children in Years 3, 4, 5 and 6 had a great time participating in events including: football dribbling, archery, long jump, triple jump, sprinting, obstacle course and many more! Years 5 and 6 also had the addition of a tug of war. The overall winners for years 3 and 4 at the end of all events were Ducis (yellow house) and the overall winners at the end of the UKS2 afternoon, meant Ducis were the overall house winners of sports day.

Congratulations to Ducis house and to all of our KS2 Griffins!

We are thrilled to share that Park Lane managed to retain the trophy as sports day champions against Race Leys which we are incredibly proud of. The final points were Park Lane: 3169 and Race Leys: 2608!

Congratulations to all of our Griffins for their effort during all sports days and we thank our families attendance Also, a big thank you to our Year 6 head of sports, house captains and sports leaders for running each event.

Finally, a huge thank you to Miss Davies and Miss Everitt for organising such an amazing event for children, families, and staff alike. Roll on next year!

Attendance

New government guidance was issued in May 2022 about school attendance and how schools should manage it, and it is clear that the government see this as a key issue affecting children's education and something they are keen for schools to tackle robustly.

During the COVID pandemic, schools' approaches to attendance temporarily shifted as we all tried to cope with the challenges such a disaster threw at us. Now that things are more stable, it is important that we all start the incoming school year in September with a positive attitude and a keenness for our children to be in school as much as possible.

Your legal responsibilities are clear: you must make sure that your child attends regularly (and that means every day) and on time.

The Park Lane Attendance Policy is being reviewed over the summer in the light of the changes in government guidance, and we will make clear what the changes in the policy are, what our responsibilities as a school are and what your responsibilities as parents are, when we issue it in the new school year to ensure that we can continue to work together on this.

We understand that there are barriers in the way for some children that mean attendance is difficult, and we will support you in overcoming these issues; **we ask that you communicate clearly, openly and honestly with us so that we know how to support you and your child.** We need to know when your child is not going to attend school and the reasons for it - by 9am each day that they are absent. This means that you must contact us **each and every day** with a detailed reason for their absence. You can contact us in a number of ways to give us this information: by calling in on the phone, by emailing the office, or by sending us a message on the Teachers2Parents app (which you can download from phone app stores).

As a school, we expect children to attend every day, on time, ready to sit down and learn by 8.45am. These standards are a shared priority between our Families and School to ensure that our children can thrive in school. As always, we will work together to ensure that this is the case and please do let us know if there is anything that we can do to support you with this.

**ATTENDANCE
MATTERS**

Pupil Leadership

Team

During the Summer Term, our Year 5 Griffins were given the opportunity to apply for Pupil Leadership roles ahead of their transition to their final year at Park Lane. Our leadership team have great responsibility and therefore to choose the future leaders, we utilised the support of Griffins across the school. After all applicants submitted their application videos in response to the job descriptions, they were watched by the rest of the school. We held a polling day and votes were counted concluding in the following appointments.

We present to you our Pupil Leadership Team for 22-23 and are sure you will share our congratulations!

 Head Boy: Kacper P		 Head Girl: Karis	
Deputy Head Boy: Jake		Deputy Head Girl: Sandra	

Prefects: Morgan, Jack, Larna, Noah, Summer, Jessica, Logan, Bella, Nirad and Brooke.

 Head of Sports: Paris and Layla E		
---	--	---

House Captains:

 Harley  SAPIENTIAE	 Harry  ANIMO	 Ollie  UNICUS	 Layla C  DUCIS
---	--	--	---

Sports Leaders: Henry, Lacey-Jo, Kyle P, Scarlett and Martins.

				
---	--	---	---	---

Houses of Parliament Trip

On the 7th June, our Year 6 Pupil Leadership Team were fortunate enough to attend a trip to the Houses of Parliament. During their trip, they were able to visit the House of Lords; had the opportunity to watch a debate in the House of Commons; had a tour of Westminster by Marcus Jones - our local MP; and also had a walk around sites in London such as under Admiralty Arch to Buckingham Palace. They thoroughly enjoyed having the chance to go on the tube and the experience as a whole.

We hope have had a wonderful trip, Year 6!

Twycross Zoo

On 22nd June, Year 1 had a great day out in the glorious sunshine at Twycross Zoo to explore their topic of, *'Paws, Claws and Whiskers!'*

The children got to see first-hand lots of different animals and take part in various activities including: a guided tour of different animals and their habitats; a talk about apes and monkeys; and the newly-built Gruffalo walk!

While on the tour of the zoo, the children found out all about black and white rhinos, how they are different and what habitat they are from. The children also had great fun meeting some of the adorable penguins and learning about how they adapt to live in their environment.

Finally, year one also had lots of fun exploring the Gruffalo walk and even got to meet the Gruffalo himself! Everybody had such a wonderful day and had the best time learning all about the animals in their topic!

Well done, Year 1!

Twinlakes Trip

Reception were lucky enough to visit Twinlakes during the Summer Term and had a wonderful experience enjoying the rides and a huge play area. The weather was absolutely glorious so everyone made the most of it!

Well done to our Reception Griffins for showing their values throughout the day. We hope you had a great time!

What a wonderful way to finish the academic year before you venture into year 1 - time certainly flies by when you're having fun!

Go Green Conference

This morning some of our Year 4 and 5 Griffins visited the Nuneaton Academy for a Go Green Conference. We discussed Eco Clubs in schools, climate change, waste and where it goes and future careers in green industries. We also explored how we can make a change in our schools to provide a greener environment. We had the opportunity to create our own eco bricks which is a fantastic solution for tackling plastic waste and something our Griffins thoroughly enjoyed doing.

We found this whole conference very fitting with our trust wide theme of 'change makers' this year and our children have come away with some fantastic plans for next academic year. Keep a look out for the development of our Eco Club!

Thank you to TNA for the invitation and to our Griffins for their incredible manners and enthusiasm, as always!

Year 6 PGL

Our Year 6 Griffins had a well-deserved treat at the beginning of June with a trip to the Isle of Wight. This was a reward for their hard work and meeting Year 6 expectations including high attendance and a positive attitude to learning. Whilst on the trip, the children got to take part in various activities including: big swing, sensory trail, trapeze, kayaking and even a school disco.

They had the most amazing time as a year group and hopefully made memories that they will cherish forever!

Safari Park Trip

On Monday 11th July, some of our Griffins ventured off to West Midlands Safari Park and had a great time meeting and greeting all the animals including zebras, giraffes and rhinos. They then enjoyed some rides before finishing off their trip with an ice lolly in the glorious sunshine.

We hope you all had an amazing time!

Reception Open Evening

Thank you to our families who attended our Reception Open Evening earlier this month. It was great to meet so many of our future Griffins and give them the opportunity to meet their classmates and teachers in preparation for September. Equally, it was lovely to meet our families and welcome them into our school.

Thank you to all those who attended and we look forward to welcoming you officially on Wednesday 7th September.

Apetito Feedback

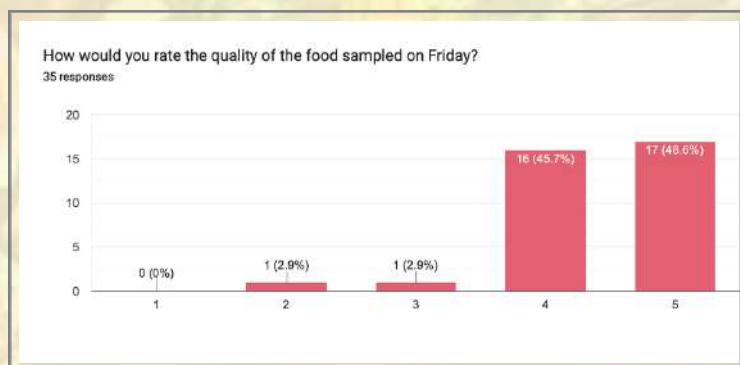

We were thrilled with the uptake at our taster event with our new catering provided - Apetito - so much so that they ran out of some of their delicious dishes. Following this, we asked our families to complete a short survey to collect some thoughts and were pleased that so many of you shared our positivity about this new venture in September.

Keep your eyes peeled for our new dinner menu during the Summer break.

“Food was lovely.”

“My son really enjoyed the foods he tried.”

“It tasted good! My daughter enjoyed the summer fruit crumble, sweet and sour chicken, ice cream and meatballs with rice. My daughter just loved it all!”

Reading Celebration

We are thrilled to announce that a number of our Griffins entered a Trust-Wide competition and have won prizes due to the quality of the work that has been submitted. All of our Y5 and Y6 children submitted a 500-word story to the Trust about a subject of their choice. It is with great pleasure that we can share the following names and prizes:

1. Emerson (Y6) - 2nd Place with her story of *'The Changemaking Dragon.'*
2. Annija-Keita (Y6) - Highly Commended with her story of *'A Saviour.'*
3. Sandra (Y5) - Highly Commended with her story of *'Little Different.'*
4. Dominic (Y6) - Highly Commended with his story of *'The Story of the Legendary Potato!'*

All of these Griffins will be receiving a special prize in due course!

TT Rockstars

After a gruelling battle right till the last day, we are pleased to announce that after a week of times tables against other GST schools, Park Lane are the reigning champions with a school total of 454,866 answers correct. A whopping 80,000 ahead of second place. Well done to all of our Griffins who took part and battled to add to our score!

Our top 3 most valuable players in school are announced below all with a staggering amount of correct answers each. What a huge contribution to our total from the 3 of you!

1. Ranveer (5MQ) - 31,589 correct answers
2. Tairons (5MQ) - 28,605 correct answers
3. Sean (6SM) - 16,630 correct answers.

Please also find our top 3 rockstars per class:

- 2LE - Marcus
- 2MW - Jagraj, Skye and Alfie
- 3CW - Jayden N, Ruby H and William R
- 3JG - Mithus, Lucy and Poppy C
- 4GL - Archie, Zaye and Koji
- 4SN - Ruby C, Alfie W and Jamie
- 5MQ - Ranveer, Tairons and Harry
- 5EG - Ruben, Paris and Henry
- 6SM - Sean, Hatice and Emerson
- 6AB - Dalton, Frankie and Jack T

Thank you to all players and roll on next years competitions!

Year 6 Prom

On Friday 15th July, our Year 6 Griffins had their masquerade prom to complete their final year at Park Lane! We were astonished by some of our entrances including sports cars, a tractor, a pick-up truck, limousine, camper van and even a motorbike escort! All of our Griffins looked amazing and really dressed for the occasion.

At the end of the evening, the Griffins votes for prom king and queen were counted and revealed that our Prom King for 22 was Jacobi and our Prom Queen was Lucy.

Farewell Year 6!

This year has passed so quickly,
The time has come to leave,
You must now join your new school,
To see how high you can achieve!

Each day we have shared with you,
From Nursery up to Six,
Has been filled with memorable moments,
It really has gone so quick!

We've had so many lovely times,
With fun along the way,
Your smile has always cheered us up,
Each and every day!

This year has been so special,
To watch you learn and grow,
You gave SATs your all,
You gave everything a go!

The Year 6 team are all so proud,
Of all the things you've done,
Mr Bell, Miss McDonnell, Miss Gee and Mr Skilling,
All delighted with everyone!

Park Lane is always here for you,
So spread your horizons wide,
We hope you venture back to visit,
And bring stories of success by your side!

Park Lane won't be the same without you,
As you move on to pastures new,
We hope you keep us in your memories,
As we shall never forget you!

All of the staff at Park Lane Primary School wish
you the very best in your future successes!
