Re: Richmond Retirement Village – Fortnightly Visits

Dear Park Lane Family,

We are thrilled to inform you that your child has been chosen to take part in fortnightly visits to Richmond Retirement Village as part of our journey to further the enrichment of art both in school and in the wider community. This will involve them visiting the local residents at a retirement home to take part in different art activities on a two-week basis: the first visit will be on **Thursday 22nd February**. We hope that this will be a wonderful experience for our Griffins and are looking forward to seeing the relationships with the residents develop as the year progresses. Earlier in the academic year we had a previous cohort of children who have thoroughly enjoyed this experience and we hope your child will have the opportunity to do the same.

The selected children will leave school mid morning, spend an hour at the retirement village completing an arts activity, and then enjoy lunch with the residents before returning back to school. Lunch can be provided by the retirement village themselves or children can bring packed lunch or request a sandwich bag: **please can we kindly ask that you specify this on the Google Form when giving consent by so that arrangements can be considered.**

As always, we thank you for your cooperation and support during this time. Should you wish to discuss any of the contents mentioned in this letter, do not hesitate to contact the office and ask to speak with Mrs Glover.

Yours sincerely,

J Glover
Arts Team
