Re: Turkey-Syria Earthquake

Dear Park Lane Family,

You will all be aware of the appalling situation in Turkey and Syria following the devastating earthquake. As a part of the Griffin Schools Trust Family, we would like to show our support, in a small way, in contributing towards the recovery operation.

We understand that times are hard at the moment. However, if you could spare any amount of money for this cause, we know that this will be gratefully received, and our children will feel that they have contributed to this humanitarian effort. A Just Giving Page has been established where you can kindly donate: <https://gofund.me/23a3a637>.

The people of Turkey and Syria are always in our thoughts during this tragic time and our hearts go out to them. We thank you, as always, for your continued support and should you want to talk to anybody surrounding this matter, please know that we are always here to listen, and offer help, in any way that we can.

Yours sincerely,

C Clare
